

4TH GRADE ESSAY CONTEST

Veterans are needed to join our group of Veterans who meet with 4th Grade school children at several area schools once a year. We meet with the children in their classroom and they interview us with a series of questions designed to help them understand what being a Veteran means. They then write an essay that is judged by school staff. We meet again several weeks later at the Memorial Park where the selected winners read their essay and are awarded a plaque.
